We Care for Kids!

www.SouthRiverPediatrics.com

About Us

“We care for kids” is our mission and philosophy at South River Pediatrics. We take great pride in helping and caring for your children by applying these four basic principles of medical care:

- * Knowledge
- * Compassion
- * Quality
- * Continuity

At our practice, your family will find experienced providers and staff to care for your children. We are committed to continuously educating ourselves and incorporating the best technology and resources to provide excellent care.

Our goal is to provide your family with a positive and caring experience to make a difference in your child’s overall health and well-being.

We look forward to caring for your child for many years to come!

Pediatric Medical Team

Our pediatric medical staff at South River Pediatrics consists of five pediatricians and two Certified Registered Nurse Practitioners (CRNP). Our experienced staff offers top-notch care and has many years of experience in the field of pediatrics.

Our pediatricians and pediatric nurse practitioners provide services at all of our office locations and are on the medical staff at Anne Arundel Medical Center. Whatever your pediatric needs may be, the staff at South River Pediatrics will assist you with compassion, professionalism, and expertise!

Azam Baig, MD, FAAP

Dr. Baig moved with his family to Annapolis in 1981 and started his pediatric practice in Edgewater. He is involved in caring for many of our complex and serious patients.
