# HENDERSON

| INTERNAL MEDICINE |

**Henderson Internal Medicine**, founded by **Paige Hixson, MD**, provides personalized, comprehensive health care and direct physician access for adult men and women. Our practice limits the number of patients we see so that we can spend more time with each patient. Our goal is to develop a strong doctor-patient relationship allowing your physician to gain a deeper understanding and familiarity with your particular health care concerns.

### Medical Services

- Unlimited office visits
- Direct provider access
- Annual physical exams
- Preventative care screening
- Chronic disease mgmt

- Weight loss management
- Tobacco & alcohol counseling
- Anxiety/depression mgmt
- Specialty care referrals
- Paperwork - FMLA /other health related forms

### In-Office Testing/ Treatments

- Urinalysis (rapid dip-stick test)
- Urine pregnancy test
- Urine drug screen

- PT/INR level
- Blood glucose level
- Rapid strept • Rapid COVID
- Flu test • Nebulizer treatments
- EKG- electrocardiogram
- PFT/ spirometry

We are sure that you will appreciate our calm setting, unhurried pace, and personal approach to medical care. Our practice offers same or next day appointments and unlimited visits are included in your membership. Our team takes the time to develop a personal care plan with your specific medical and wellness needs as the focus.
