

*Let's Get to the Point of Pain Relief™*

## Treating Patients Relieving Pain

Compassion & dedication to promote patient well-being.

- ▶ Patient Priority
- ▶ Successful Results
- ▶ Independent Practice

### TREATING PATIENTS, RELIEVING PAIN

Our goal has always been to get to the point of pain relief as quickly as we can. Once identified, we will work passionately toward relieving you of your general, nerve, spine, or joint pain with the most appropriate treatment.

1800 Peachtree St. NW  
Suite 750

## Physician Referrals

### REFERRING A PATIENT

Our practice is committed to helping patients who suffer from acute and chronic pain conditions. Common referrals may include but are not limited to: neck or back pain, spinal stenosis, failed back surgery syndrome, complex regional pain syndrome, post-herpetic neuralgia, myofascial pain, and management of arthritic conditions. We offer comprehensive, total pain management with minimally invasive interventional procedures and medical pain management when appropriate.
